The Homecoming Dance

Saturday, October Fourth, is our beloved traditional homecoming dance. This is going to be a big one for everyone. The theme for the dance is "Monopoly, A night of Chance." So take a chance do something you thought you would never have the guts to do. One of my favorite students *Joey Sherwood* says, "Saturday night is where I say forget girls, I just want to dance" well put Joey Sherwood. Like every other week before homecoming our

classmates decide they want to have spirit days. So be sure to dress down on Monday since it's Baltic Avenue Day. On Tuesday be sure to dress up as it is Broadway Avenue Day. Wednesday is Piece/hat day where students can either dress up like a monopoly game piece or wear your favorite hat. Thursday is our Passionate Pink day so dress for the cure. And finally, Friday is our Bobcat spirit day where students are encouraged to dress in scarlet and gray. Students are reminded that dress code guidelines still apply for all spirit days!

The Homecoming Game

Come cheer on our Bobcats as they look to defeat Rossford's Bulldogs in our highly anticipated Homecoming Game. There will be tailgating before the game, put on by the FFA. **FREE HOT DOGS!** Kickoff is at 7:30 p.m. Hope to see you there!

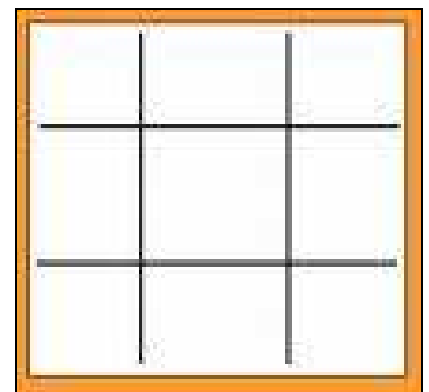

The Bobcat's All-star defensive back *Zach Clifford* says "I'm just hoping I can tie my shoes right on Friday"

The Bobcat's All-star defensive player *Chris Reynolds* says "I'm just looking to pop trunk and really take it to the Bulldogs!"

Antigone

A Greek Tragedy of love and hate. Our Drama Club is working hard on its Fall Production Antigone. When asked *Jamie Paridon* described the production as "Awesome, I can never get enough Greek Tragedy".

-You know you want to play.

-Go ahead...but try not to be late to class, as that would be a bad thing...

-Challenge your friends in an intense game of Tic-Tac-Toe

Chris Reynolds says "I challenge you Eric Snyder!"
